Title: LIGHTING DEVICES USING A
PLURALITY OF LIGHT SOURCES

SUPPLEMENTAL REISSUE DECLARATION

As a below named inventor, and as the first, original, and sole inventor of the subject matter which is claimed in U.S. patent application for reissue serial no. 10/801,177 (hereinafter "present reissue application") and which is claimed in U.S. patent no. 6,357,893, I hereby declare that:

Every error in U.S. patent no. 6,357,893 which was corrected in the present reissue application, and which is not covered by a prior oath(s)/declaration(s) submitted in the present reissue application, arose without any deceptive intention on the part of the applicant.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the present reissue application or any patent issued thereon.
